TECNODECK ALU-LINE - PERGOLA SYSTEMS

In addition to our Wood Composite Pergolas, Tecnodeck presents the ALU-LINE range of products.

The Tecnodeck ALU-LINE provides a set of opening/closing possibilities for the covers of the Pergolas that allow the enjoyment of spaces throughout the year.

The Tecnodeck ALU-LINE Pergolas are an extraordinary option for space extension, whether for private or commercial use, taking profit of seasonal or underused areas.

The Tecnodeck ALU-LINE Pergolas use the most advanced technology, such as the automation systems of Somfy and high quality lacquered aluminium structures.

ES

TECNODECK ALU-LINE - SISTEMAS DE PERGOLA

Complementario a nuestra gama de Pergolas en madera tecnológica, Tecnodeck presenta su línea de productos ALU-LINE.

La gama Tecnodeck ALU-LINE proporciona un conjunto de posibilidades de apertura/cierre para las cubiertas de las Pergolas.

Las Pergolas ALU-LINE son una opción extraordinaria para ampliar espacios privados o comerciales, haciendo uso de áreas estacionales o subutilizadas.

Las Pergolas Tecnodeck ALU-LINE utilizan la tecnología más avanzada, como los sistemas de automatización Somfy y estructuras de aluminio lacado de alta calidad.
